

All Angus Growers to be **LEAF Marque Certified** by the end of 2023.

The carbon footprint per tonne of soft fruit across the growers has been **cut by 28%** since 2013.

Will be 90% bubble pad free by July 2023. This will help **remove 25 tonnes of plastic** from the supply chain.

Target of **100% recyclable** packaging by June 2024.
