

Supply chain resilience and co-operation

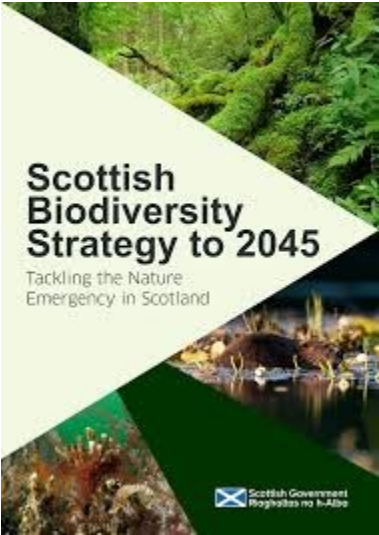

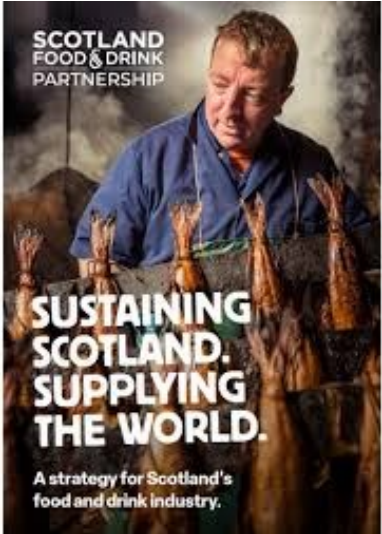

What next??

Time flies...

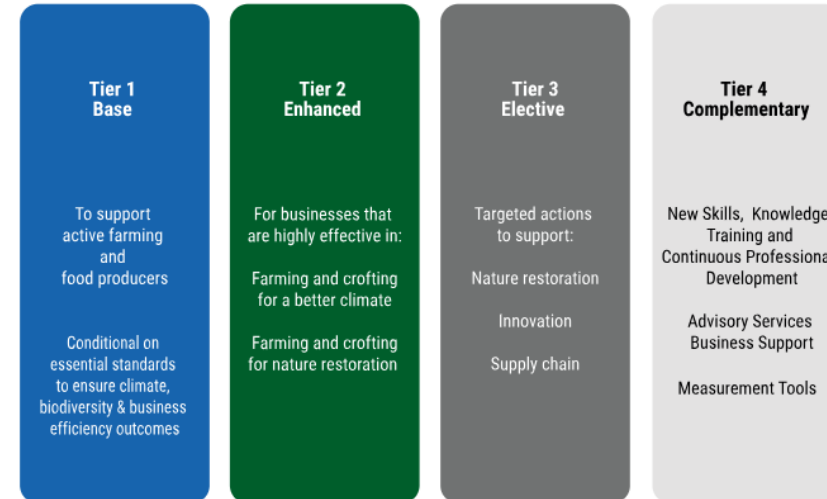

Climate Change (Scotland) Act 2009

We have the words, the charts...

Agriculture Support Package Beyond 2025

Agriculture and Rural Communities (Scotland) Bill

Time to act...

The dilemma...

Three Options

Option 1

Option 2

Option 3!

International Year of Cooperatives

Cooperatives Build
a Better World

Big bang with little buck (the reality!)

£1,000,000,000
output each year

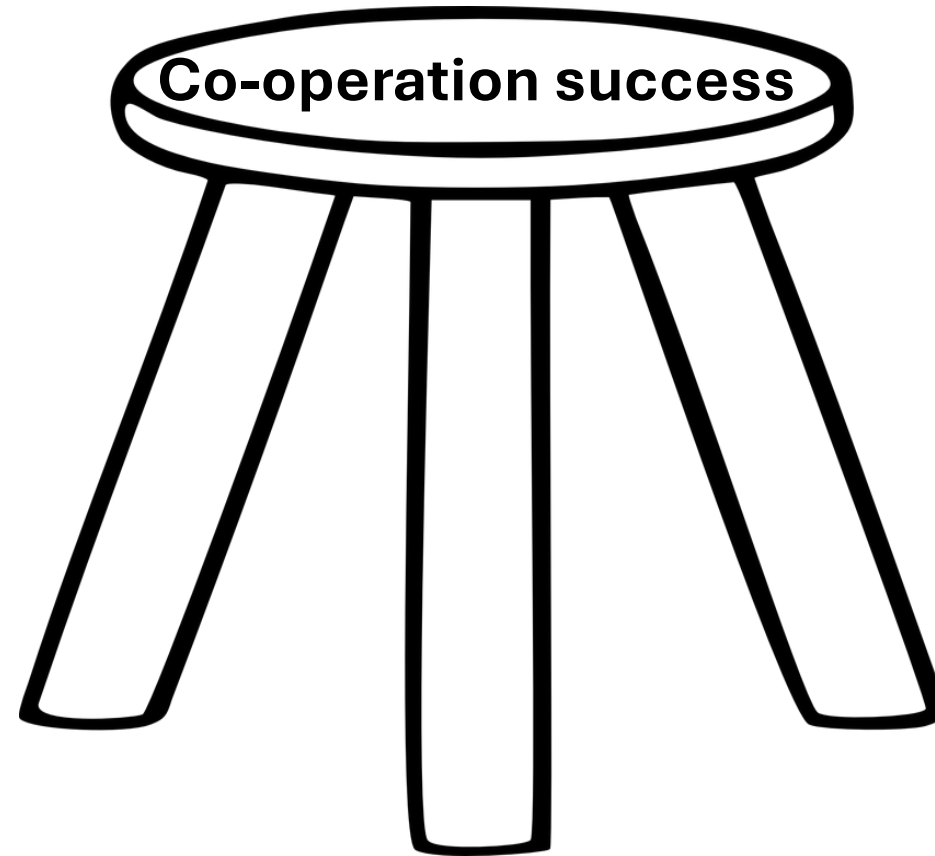

Big bang with little buck (here and now)

More co-operation, more success

How??

Delivery resource

Financial incentives

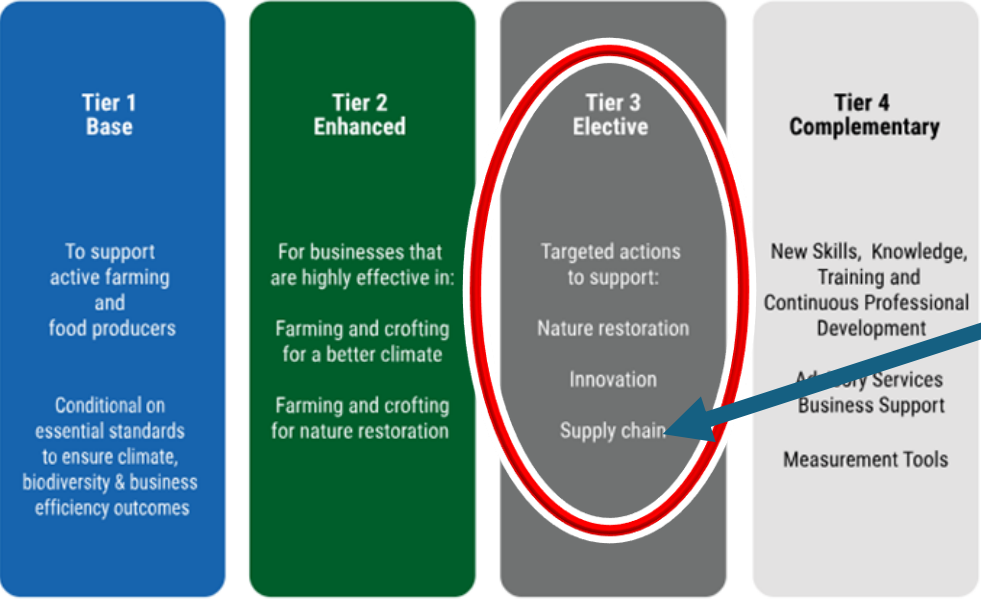

Legislative & policy support

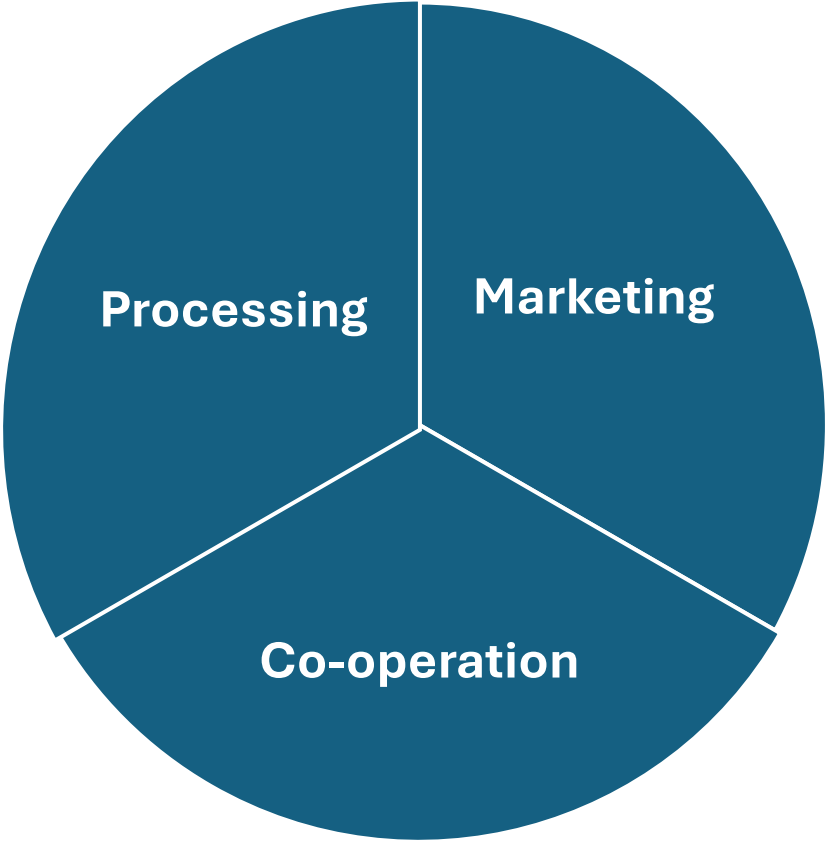

How to make it happen

Agriculture Support Package Beyond 2025

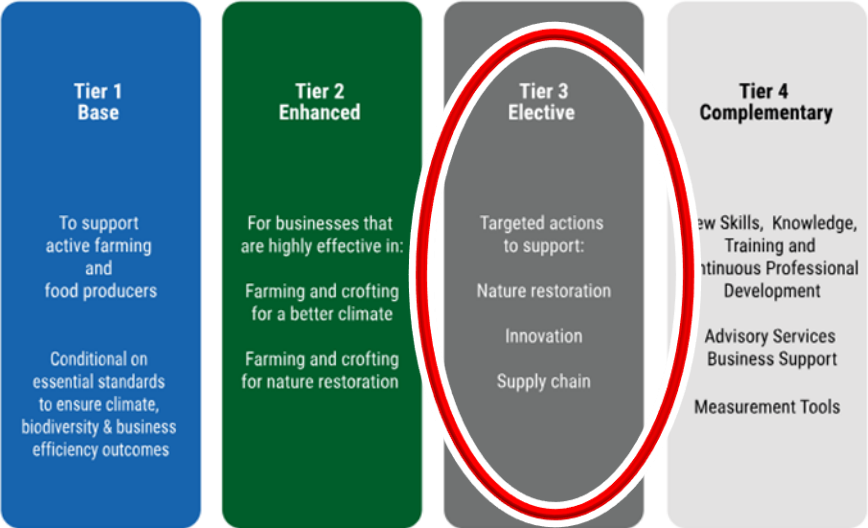

**New Food
P+M+C
scheme,
not
FPMC...**

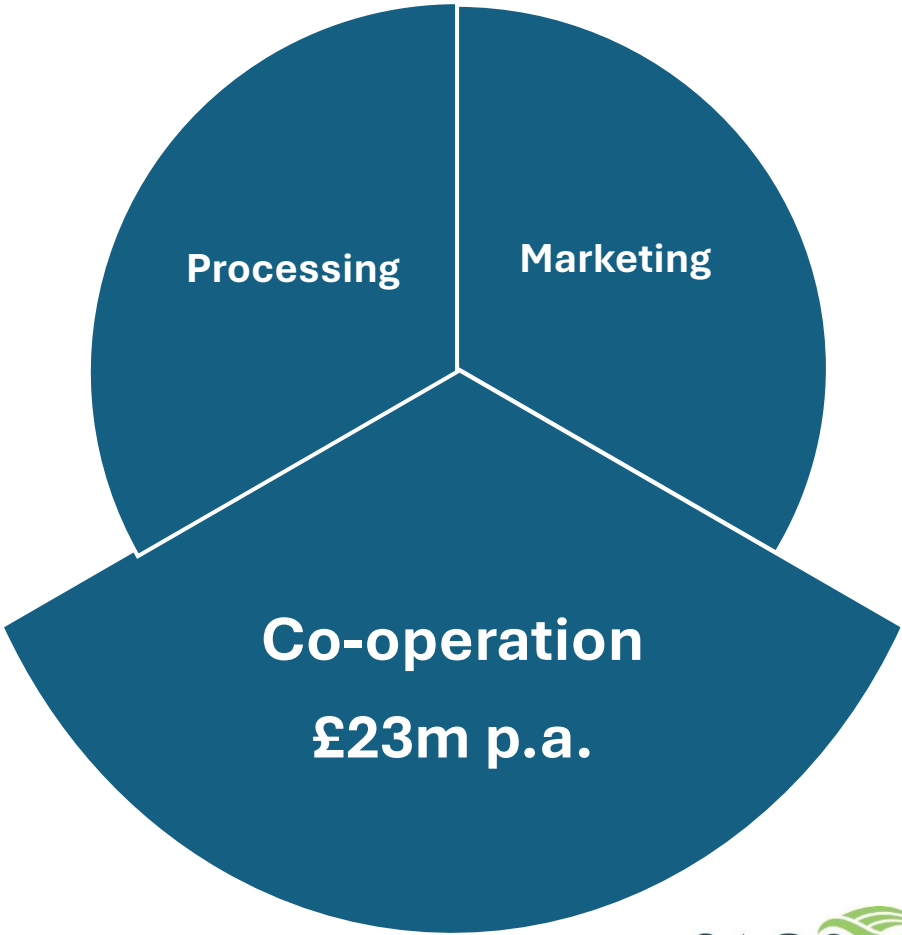

How to make it happen

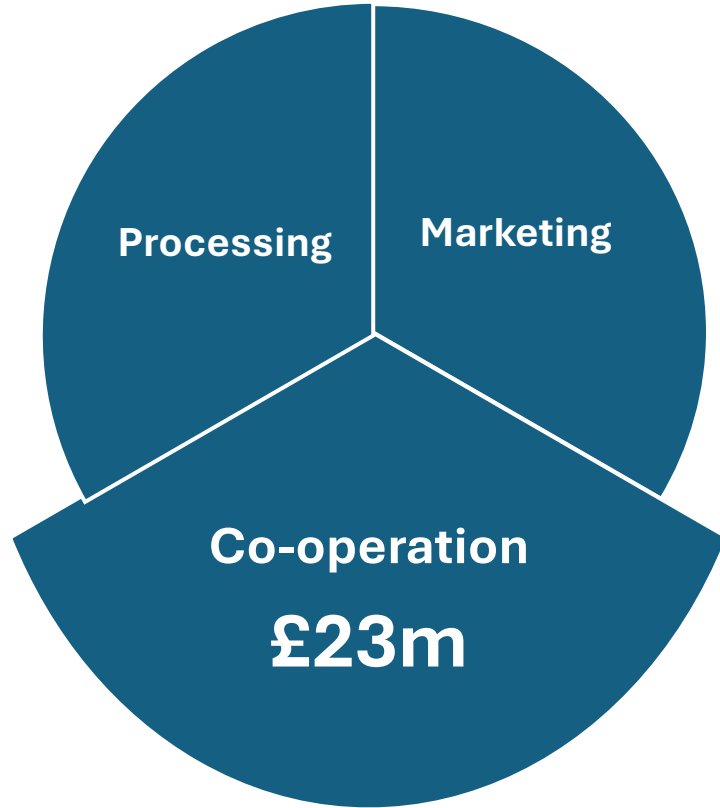

Agriculture Support Package Beyond 2025

= £68 million p.a.

Supply Chain Support

50:50 industry match-funded

Eligible co-operating ventures (e.g. co-op's, PO's)

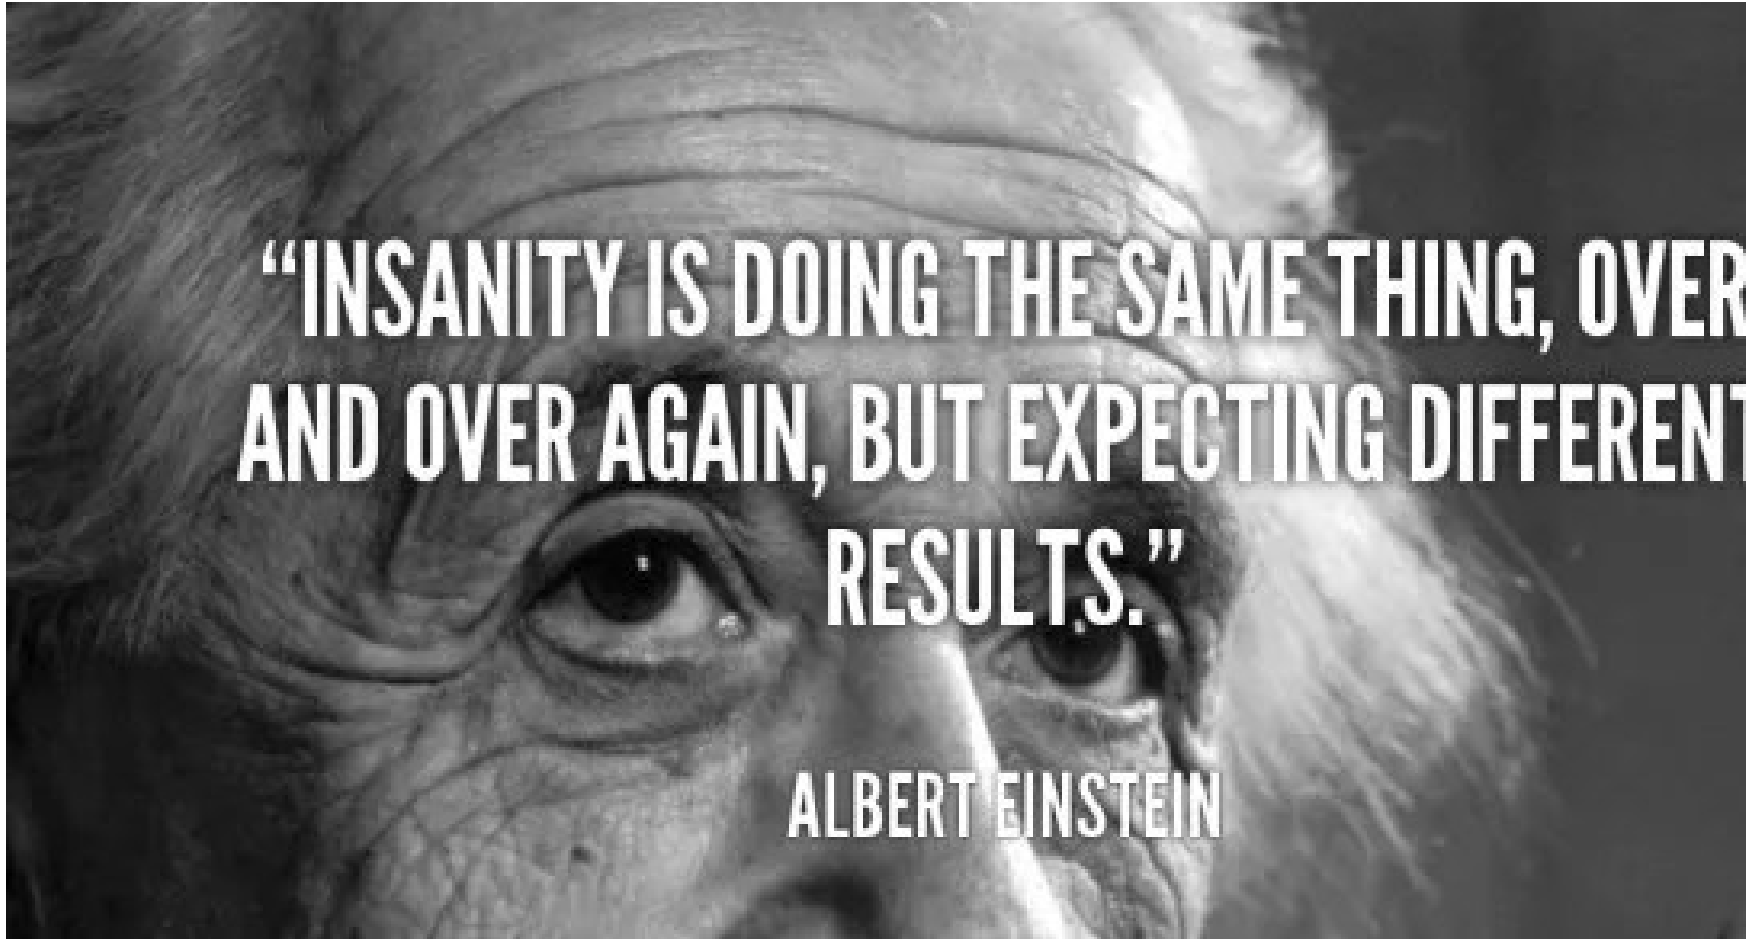

- Maintain/extend PO funding

Access programme support for example:

- New co-operative set-up/support
- Product and market development
- Technical skills and training
- Market intelligence and brokerage services
- Agri technology investment
- Innovation and technical advice
- Environmental action plans
- R&D and trial work

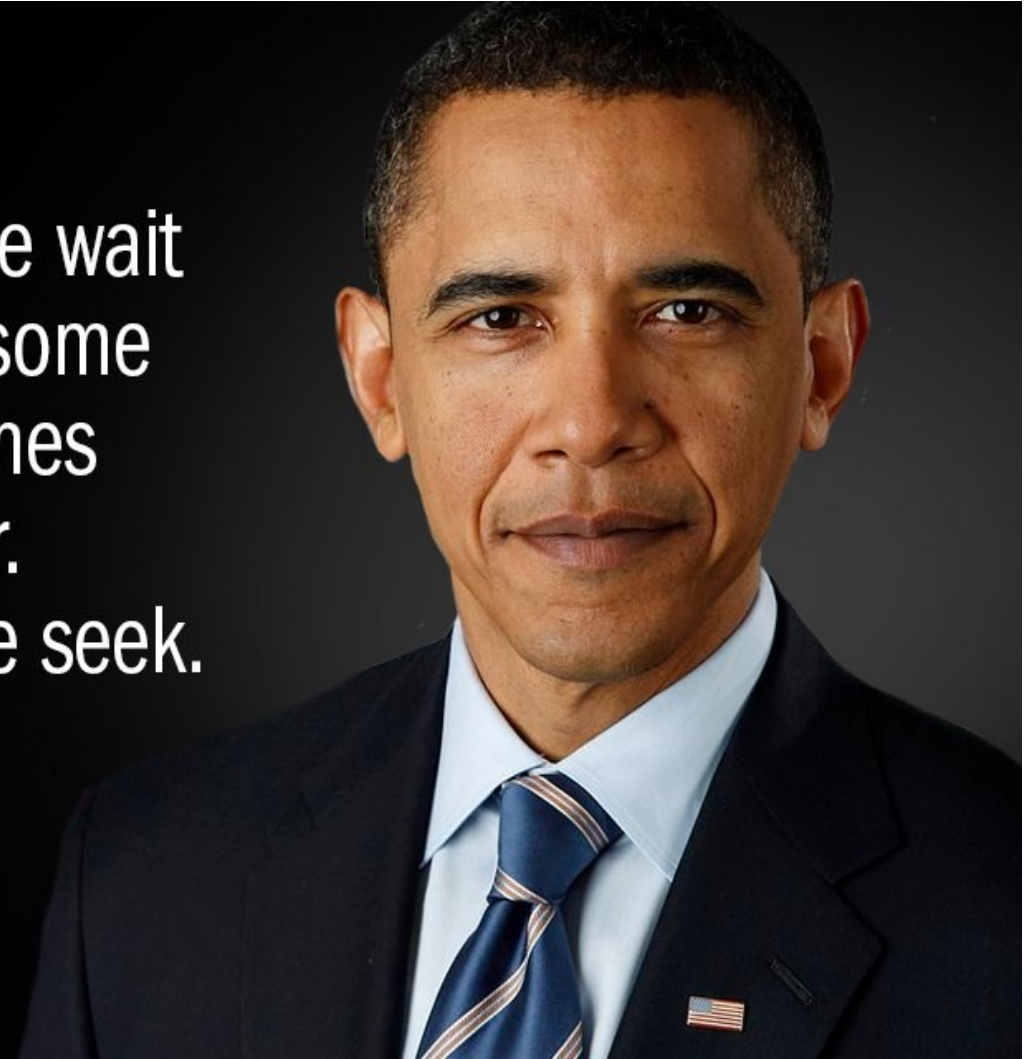

The status quo is not an option...

Change will not come if we wait
for some other person or some
other time. We are the ones
we've been waiting for.
We are the change that we seek.
